WAYFINDING Systems

Capital Wraps and Signs designs wayfinding systems that communicate directions clearly and concisely. Our wayfinding systems are informative and attractive for both indoor and outdoor use. Whether it's a lobby of an office building or a corporate campus, our wayfinding sign systems guide visitors with ease.

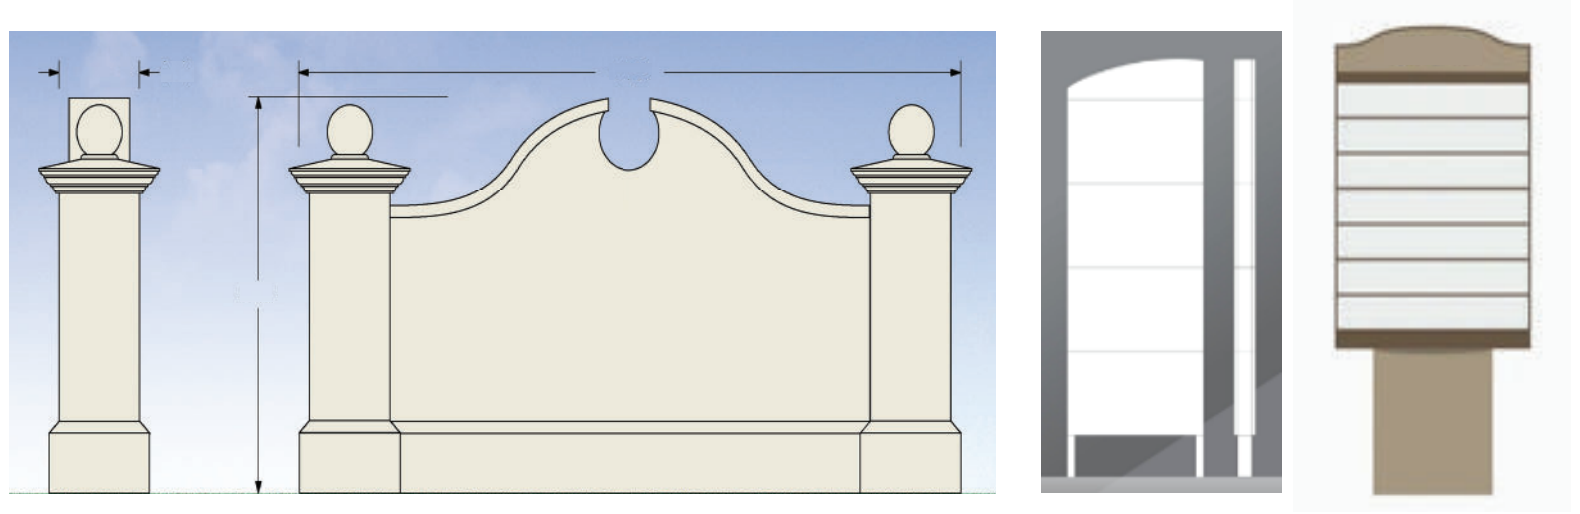

PYLON, MONUMENT & BACK-LIT SIGNS

**CAPITAL

INC

Capital Wraps and Signs offers all types of impactful and functional outdoor signage solutions. We build and install pylon, monument and back-lit signage. They are tailor-made for your business and for a specific location on the property. Pylon signs are used to identify and guide customers in from busy thoroughfares. Lower-level monument signs are placed in front yards or at the entrances in order to identify your office building and back-lit wall signs are strategically positioned to attract customers day and night.

ARCHITECTURAL SIGNAGE

Capital Wraps and Signs transforms spaces by creating impactful architectural signage. We provide solutions that improve the customer's experience. Our team collaborates with architects and designers to deliver unique and functional architectural signage that is for new construction projects and renovations.

Our Architectural Signs Include:

- ADA Compliant Room Identification Systems
- Building Directories
- Digitally Printed Wall Murals and Large Format Building Wraps
- Dimensional Lettering and Logos
- Environmental Graphic Space Enhancements
- Frosted Glass and Window Features
- Reception Area Improvements
- Routed Acrylic Dimensional Lettering and Logos
